\*Past performance is no assurance or indicator of future returns. The indicated rates of return in this communication are historical annual compound total returns, net of management fees. They include changes in net asset value and reinvestment of all distributions, but do not take into account any sales, redemption, or other charges payable by an investor, which would reduce returns. There is no assurance that any Fund will achieve its investment objective. Each Fund's performance should be considered in light of the investment objective and policies described in the Contract and Information Folder. Per unit calculations are based on prices determined at the end of the business day and are subject to change without notice. Every effort has been made to ensure that facts and data contained herein are accurate at the time of publication. However, DFS cannot guarantee that they are accurate or complete or that they will be current at all times and accepts no responsibility for any loss arising from any use of or reliance on the information contained herein.
